Dear Parent/Guardian,

As I'm sure you are all aware the government has made new guidelines for Education settings in Northern Ireland. We have been notified this morning that we will be closing from end of session today (Wednesday 6th January) until midterm break in February. Parents will be notified of a definitive date for return in due course. We as a staff team are very sorry the government has come to this decision as we appreciate how much your children gain from their face to face preschool education.

The staff have been preparing home learning packs for each child and these will be sent home with children in attendance at the setting today. To facilitate all children receiving their packs staff will be in the Playgroup Thursday 7th and Friday 8th January between 9:30am – 12pm. Staff will also continue to provide a range of home learning activities for your children, these will be posted on our website throughout the closure.

Staff will be continuing to work behind the scenes to ensure not only your child receives home learning resources but also that the setting is ready for when we can return. If you need to contact the setting please do so via our email address rainbowstopplaygroup@hotmail.co.uk or playgroup mobile 07729329129 as these will be monitored.

We hope during the times that lie ahead we hope everyone stays safe and well and we look forward to welcoming you r all back in February.

Kind Regards

Rainbow Stop Staff
