

Fundraising Policy

Principle

Fundraising is an integral part of any Playgroup setting that supports the overall development of the setting.

Policy

At Rainbow Stop Playgroup fundraising is an integral part of our financial planning given increased running costs relative to funding and inflation. Fundraising also provides the playgroup with money to purchase and replace equipment to keep the children challenged and plan for progression, keeping our Playgroup accessible to all children.

Procedures

We will ensure that:

- Through a sub-committee we will organise fundraising events throughout the year and apply to other sources of funding, such as; European Funding, Lottery, Trust Funds to aid our fundraising efforts and help provide financial sustainability for the playgroup.
- We will encourage all our parents/carers, staff and the local community to support us in our fundraising efforts.
